| Rooted: Knowing and Believing Who You Are | 1) **Identity**  
When you know Whose you are, you begin to truly believe who you are.  
2) **Love v. Infatuation**  
Real love is often tainted by “the behaviors” we consider to be normal in culture – but we can only truly know what love is when we look to God, who is our source of love.  
3) **God, Guys, and Girls**  
We must get our relationship with God right before we can get relationships with each other right, including romantic ones! |
| Let’s Get Real | 1) **Social Media: It’s Not What You Think**  
The dangers of social media are real, and until we filter them through a Biblical worldview, the internet can become a place of darkness that enslaves us.  
2) **Pornography: The Culprit of Diminishing Real Relationships**  
At the root of the pornography problem lies a tragic misunderstanding of who we were created to be and what relationships are supposed to be about.  
3) **Uninvited: Loneliness and Rejection**  
Rejection can certainly grow and shape us, but it was never meant to define us. This message is an invitation of hope from the God of the Universe – specifically for those students struggling with suicidal thoughts, depression, and anxiety. |
| Purity: Rethinking, Reorienting, or Restarting | 1) **The Pursuit: Who to Date and How to Date**  
The term “dating” really isn’t used in the Bible, so how do we know what dating with honor and purity looks like?  
2) **A Blank Slate: How the Gospel Changes Your Story**  
God cares about the condition of our heart, not the technicalities of our virginity. He calls us to adopt a greater vision for our relationships and sexual understanding because of who we are in Him.  
3) **Marriage: Why It Matters**  
Marriage has a purpose that is far beyond our own happiness. |
| An Overflowing Cup | 1) **The Deeper Need**  
Is following Jesus worth our sacrifice?  
2) **Why Does God Give Us Rules?**  
The truths of the Gospel support and sustain the commands of the Gospel, which are for our good.  
3) **Love Does**  
What do you want your life and your relationships to be known for? |
